

Jeff Ray Clinic

Clinic 1: April 30

Clinic 2: May 1 and 2

Start Time 9:00 AM

AHAA is proud to present two riding clinics with Jeff Ray from Minnesota. Jeff is both a carded APHC judge as well as one of the leading trainers and coaches in the United States. Both he and his clients have won U.S National and World Championships.

The April 30 clinic will be a one day, western only clinic. Participants will be working on showmanship, horsemanship, western pleasure and trail. Jeff will be touching on the following in his May 1 and 2 clinic: western pleasure, western equitation, showmanship, hunter under saddle, hunt seat equitation, hunter in hand and trail. The clinics consist of 2 full days of riding per clinic. Because there is a lot of time in the saddle involved, please ensure that your horse is relatively fit. Emphasis is on getting the most out of your horse and yourself in the show ring.

There will be limited spaces available, first come-first serve. The clinic will be held in the Sherwood Park area at Still Meadows Ranch. Very limited stabling is available and you must supply your own bedding. Please fax your entry to (780) 922-3391 as soon as possible and then mail your clinic fee to payable to AHAA to Laurie Knox, 310 Willow Street, Sherwood Park, AB T8A 1P9.

If you have any questions about the clinic, feel free to call Laurie Knox @ (780)922-3391.
